

Doreen Shanks has called Rocmaura home since 2012. You may have never thought about long term care until someone dear to you needed it. When it comes time, it will be comforting to know that Rocmaura will be there for your "home away from home" too.

*You remember the first ones who held your hands...
Will you remember the last?*

Remembering Rocmaura Foundation in your will or making a gift of life insurance will maximize the impact for you, your estate, and Rocmaura. Your generosity will help enhance the quality of life of many others for years to come.

Ask your financial planner about making a charitable gift as part of your financial plan today to help Rocmaura tomorrow.
